

## General Information

**Capacity:** Seats 56 or can hold 70 for receptions.

**Room Charge:** Food and beverage purchases must reach \$500 in order to qualify for free rental. If the purchases are less than \$500 the host will be required to pay the difference.

**Deposit:** A \$500 deposit is required to secure the room. The deposit is non-refundable but does go toward your purchase the day of the event.

**Food:** We offer appetizers and buffets. There must be at least 25 guests to have a buffet. Taking home leftover food from buffets is not allowed. Children 12 and under are half price for buffets. No outside food or beverages allowed except desserts.

**Bar:** All drinks are served individually. No kegs or pitchers of beer are available. Regular bar prices will apply to the banquet room guests. Any lounge specials (happy hour, etc.) are not offered in the banquet room. For a cash bar—all guests are responsible for paying for their own drinks. We will provide cocktail servers for your guests. For a host bar—host pays entire tab. In addition, the host is required to assist the staff in assuring the minors do not consume alcohol.

**Minors:** Minors are allowed, however, because the banquet room is in a 21 and over only lounge, we ask that all minor children stay in the banquet room and are accompanied by an adult when out of the room.

**Additional charges:** There is a one time \$35.00 set up / clean up fee that includes the linen rental. All food will be subject to the current sales tax.

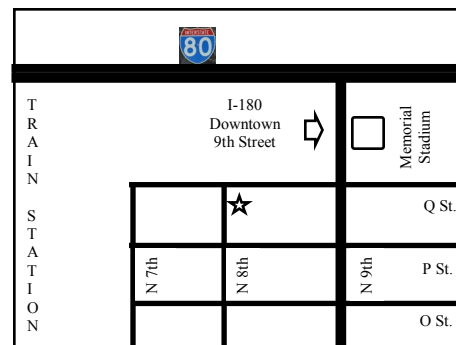

**Gratuity:** There will be 18% gratuity added to all food and any host bar tab.
